**TIME IS**  
too slow for waiting  
too fast for enjoying  
too long for grieving  
too short for rejoicing

But for loving  
Time Is Not

Time In The Student  
Commons  
Spent together with  
friends in joy  
Or catching up on  
last night's sleep

Time was when the moon stood still  
Our togetherness was a sea of love  
Rainbows filled our skies

Time was when we saw no one but ourselves  
On a busy street there was only two —  
Me and You  
But that time is no more  
For you are gone

**In class, IMC or building a Christmas float  
Students prove that WCC provides a better way**

Time for

A happy jack-o-lantern  
A garden of bright colored flowers  
A happy couple  
A group of bright faces

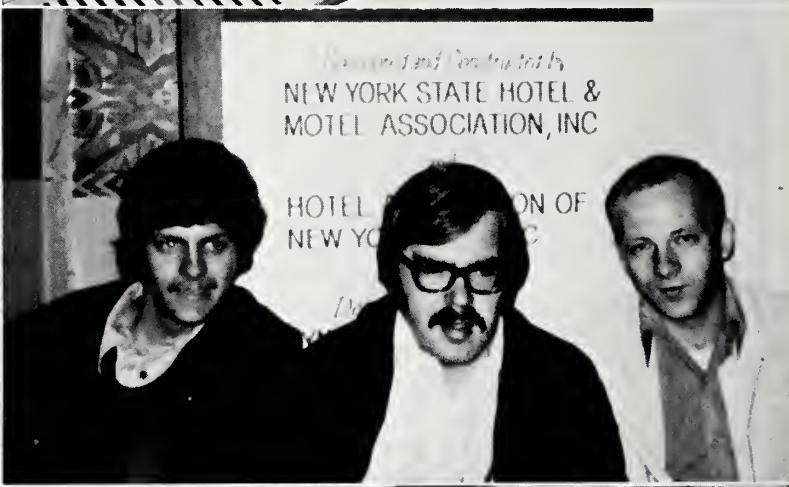

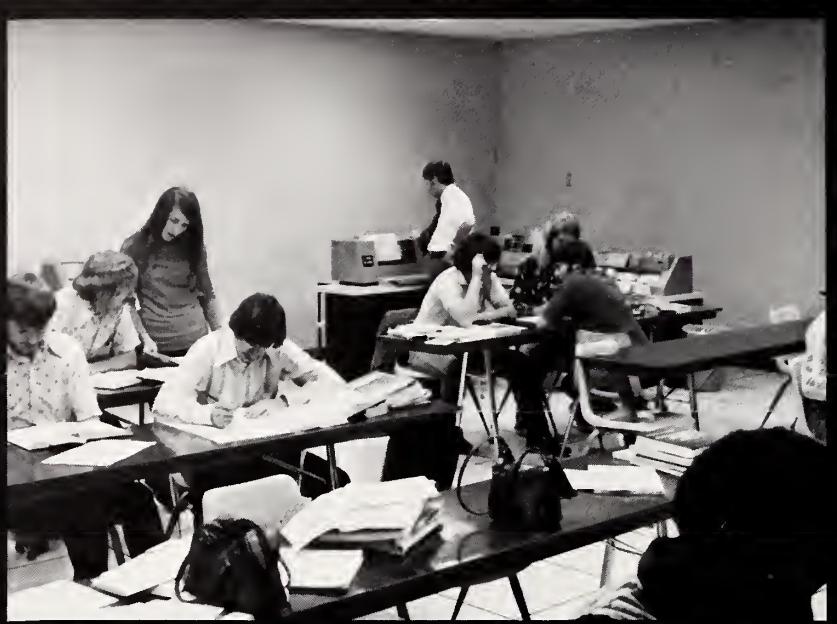

**A time to laugh  
A time to cry  
A time to have friends  
A time to say good-by**

One of the most important honors a student of the College may attain is that of being named one of the selected group to be listed in a national volume known as "Who's Who Among Students in American Junior Colleges."

These students have been selected for this honor by a committee composed of representatives from the College Administration, the Faculty, and the Student Body. The committee base their selection on a student's scholastic achievement, his participation in extracurricular activities, his citizenship and services to the College, and his usefulness to the society of the future.

### CROSSING THE BAR

Sunset and evening star,  
And one clear call for me!  
And may there be  
no moaning of the Bar  
When I put out to sea.

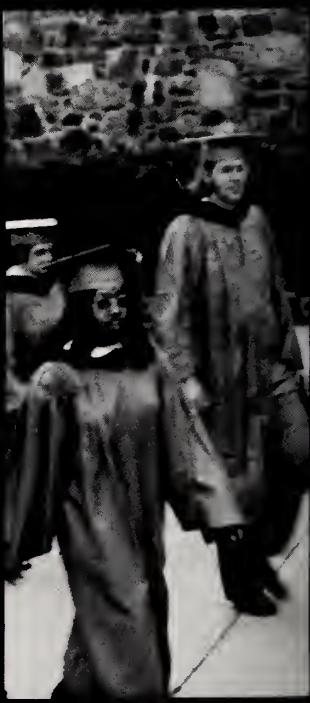

For tho' from out our bourne  
of Time and Place  
The flood may bear me far,  
I hope to see my Pilot —  
face to face,  
When I have crost the bar.

—Tennyson

In Memoriam

Carl William Haigh

**Our time here is now over.  
Although there were sad times when we thought we  
wouldn't make it — we did. The good times won't  
be forgotten and as each takes his own step out in  
life he will find that the time spent at Wilkes  
Community College will have enriched his total  
existence.**

The year has ended. The book is in your hands, ready for your judgment. The staff worked long and hard to produce a yearbook which you could be proud of. I hope that this book is a collection of memories for you, as it is for me.

I would like to thank the yearbook staff for the fantastic job they have done in producing this book, with special thanks going to Ford Markle and Mac Warren for their photography. Also, a very special thanks to Miss Mary Nichols for her guidance in publishing the 1974 Cougar.
